Ref: 170108(q) Sub-Plans Rev1.0 Minor Amend.

Dear Carolyn

**RE: Approval of Minor Amendments to Waterloo ISD Sub-Plans Spoil MP and VAMP  
Rev 1.0**

Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by Sydney Metro Chatswood to Sydenham Staging Report.

- Waterloo ISD Spoil Management Plan (Spoil MP) SMCSWSWL-JHG-SWL-EM-PLN-00002 Revision 1.0 dated 20<sup>th</sup> May 2021
- Waterloo ISD Visual Amenity Management Sub-Plan (VAMP) SMCSWSWL-JHG-SWL-EM-PLN-00003 Revision 1.0 dated 20<sup>th</sup> May 2021

The Sub-Plans were originally developed to address the Sydney Metro Chatswood to Sydenham CEMF. Revision 1 includes updates as part of an Annual Review conducted by JHG. Updates in the Plan included updates to the list of approved Modifications to the Project Approval and referencing to the Station Design Precinct Plan (SDPP) that has since been developed.

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed and provided comment on this document and accordingly endorse the amendments of the Plans for implementation.

Yours sincerely

George Kollias  
Environmental Representative – Sydney Metro City and South West
